ITEA Call 2026 Timeline & Process

Sweden

International projects within software-intensive systems and services | Vinnova

What can you apply for?

International research and innovation projects in software-intensive systems and services. The projects will focus on the needs of industry and business and strengthen Swedish competitiveness.

Who can apply?

Swedish actors who are part of an international ITEA project with at least two independent organisations in at least two EUREKA countries. The Swedish consortium must include at least one Swedish small or medium-sized enterprise (SME).

How much can you apply for?

Up to 15 million SEK per project. Vinnova finances a maximum of 50 percent of the project's total eligible costs. Proposal is submitted to ITEA.

National priorities

Sweden

- We are looking for: **Industry driven and innovative** projects with a high potential to strengthen Sweden's competitiveness and contribute to achieving the Sustainable Development Goals.
 - The projects should have a **potential to lead to increased competitiveness and growth** in participating Swedish companies
 - There should be a **clear value from the international cooperation**

Funding Outlook

Sweden

- We finance up to a maximum of SEK 15 million per project.
- Our budget for this call is SEK 15 million.
- Vinnova's co-financing can amount to a maximum of 50 % of the entire Swedish consortium's eligible costs.
- Funding rates:
 - Maximum 50% of eligible costs from Vinnova to Swedish SMEs
 - Maximum 30% of eligible costs from Vinnova to large companies
 - Up to 100% of eligible costs from Vinnova to universities and research institutes

Eligibility Criteria – Project partners

Sweden

Requirements for project partners in the Swedish part of the international consortium:

- All participating organisations in the Swedish consortium must be **legal entities**
- The Swedish consortium must include **at least 1 small or medium-sized enterprise (SME)**.
- Each SME must have:
 - **at least one million SEK in net turnover**. Net turnover does not include public funding from, for example, Vinnova or the EU.
 - a number of employees that corresponds to **at least three full-time employees**.
